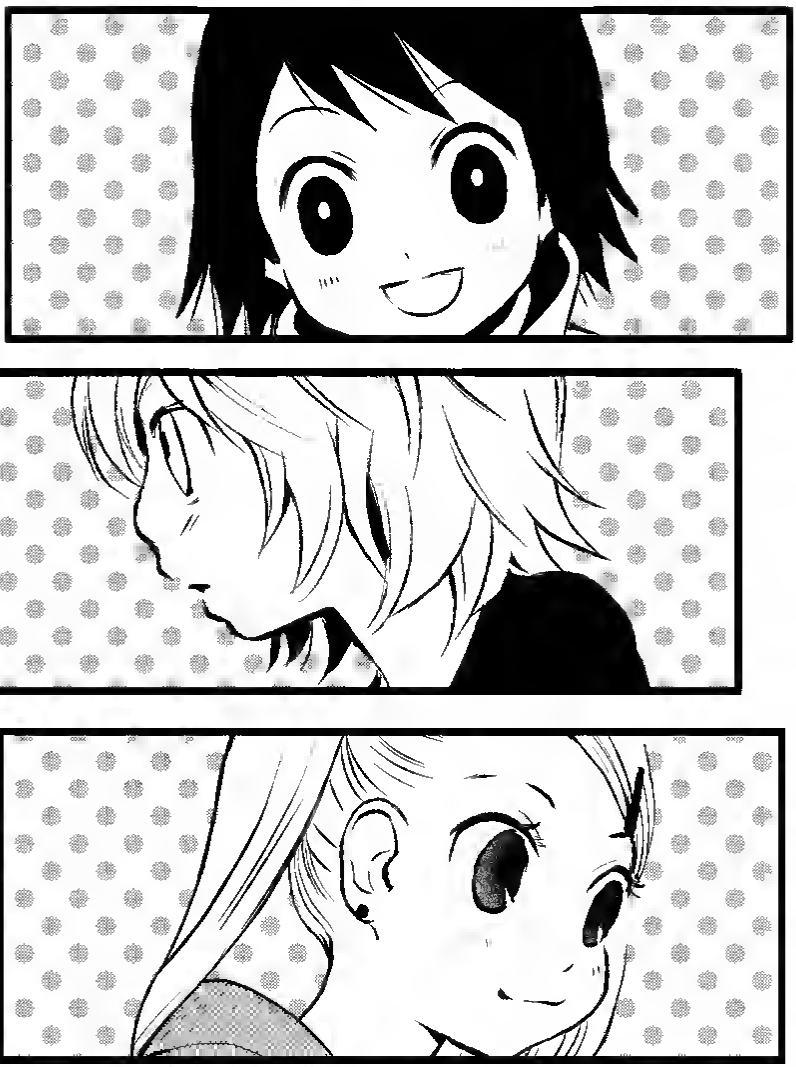
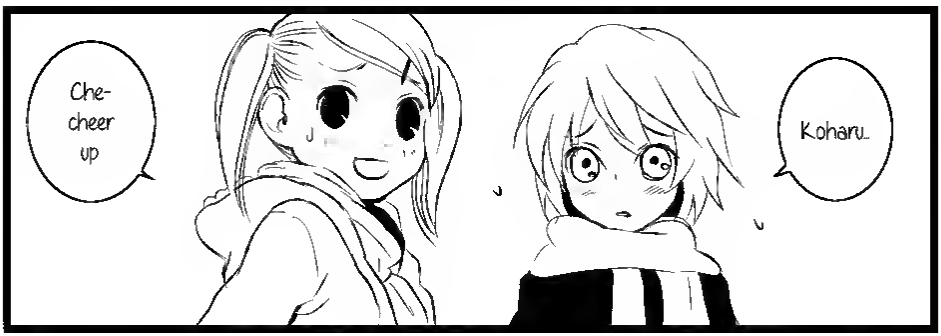
LesbianSOLO!



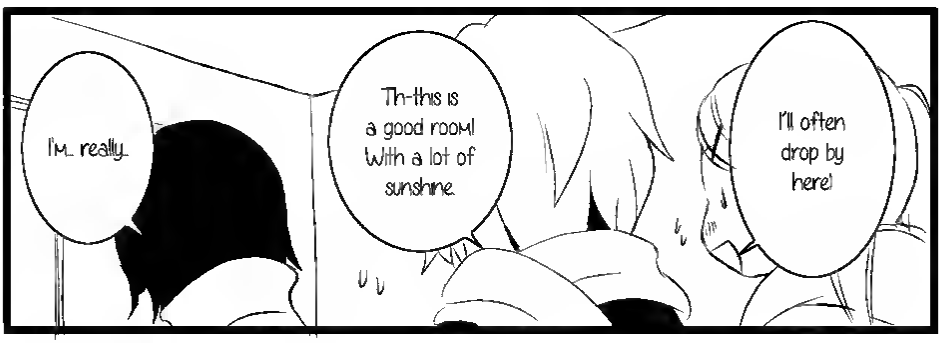
Hello, I'm Morishima Akiko.
It's been a while. This is a 4-panel manga about a lesbian girl's shapeless life.

One winter day,
I broke up with a girl I had cohabited with for two years.
Is this the last one?
Yeah. Thank you for helping me out

Starting today, I will live alone.
sigh

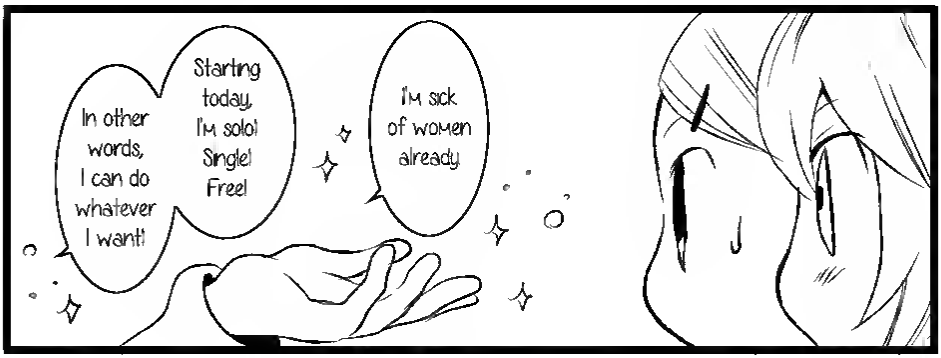


Koharu..
Che- cheer up

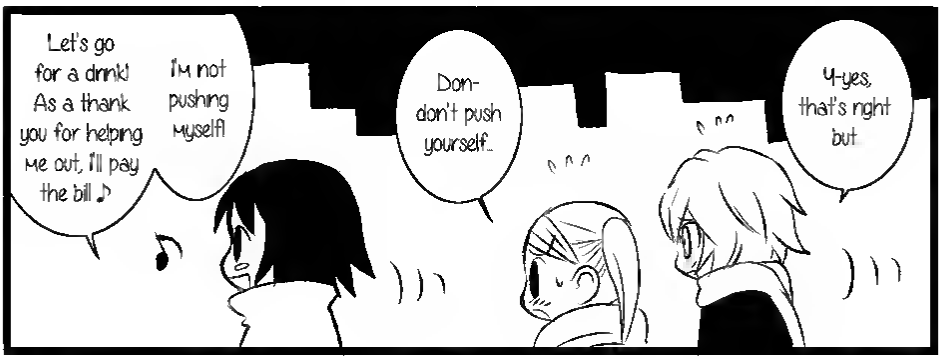


I'll often drop by here!
Th-this is a good room! With a lot of sunshine.
I'm.. really..

AHH! I'M REFRESHED! BEING ALONE IS GREAT!
HAPPY THAT I BROKE UP!!

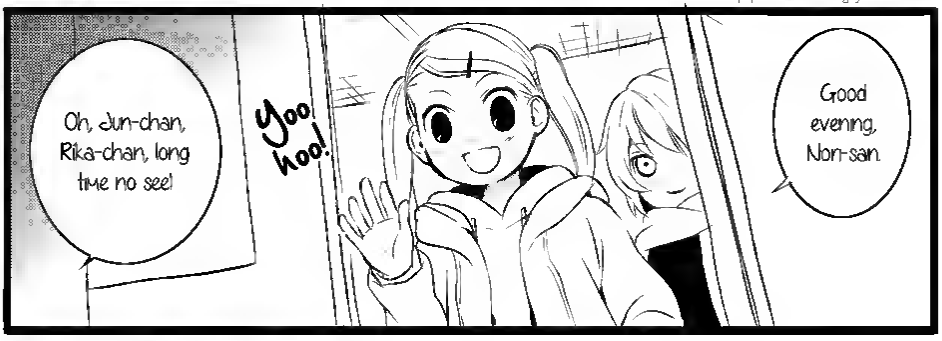


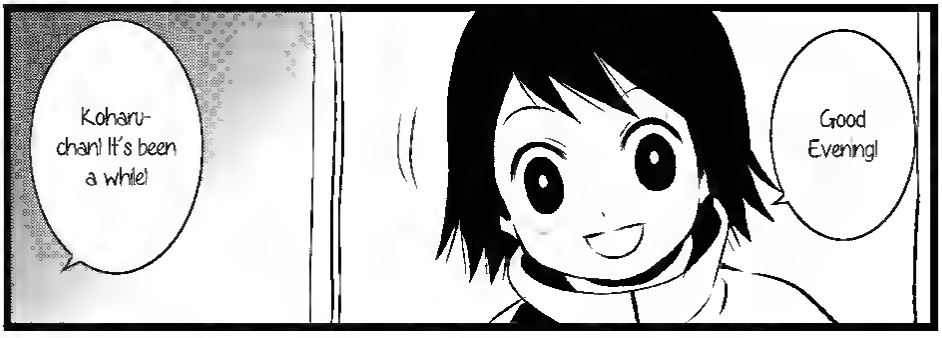
In other words, I can do whatever I want!
Starting today, I'm solo! Single! Free!
I'm sick of women already

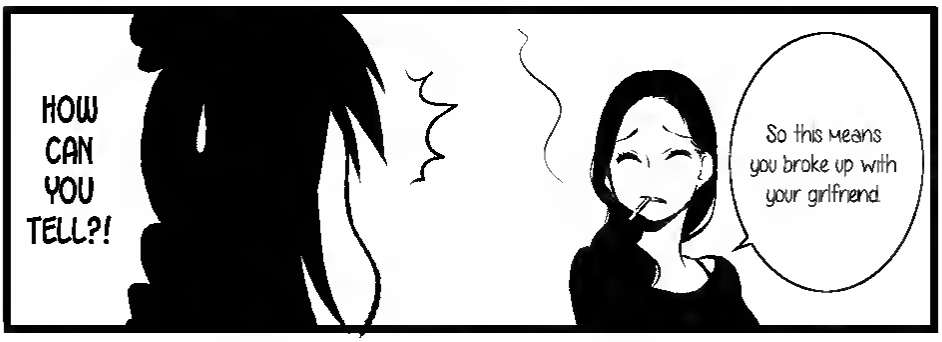


Let's go for a drink! As a thank you for helping me out, I'll pay the bill♪
I'm not pushing myself!
Don- don't push yourself...
U-yes, that's right but

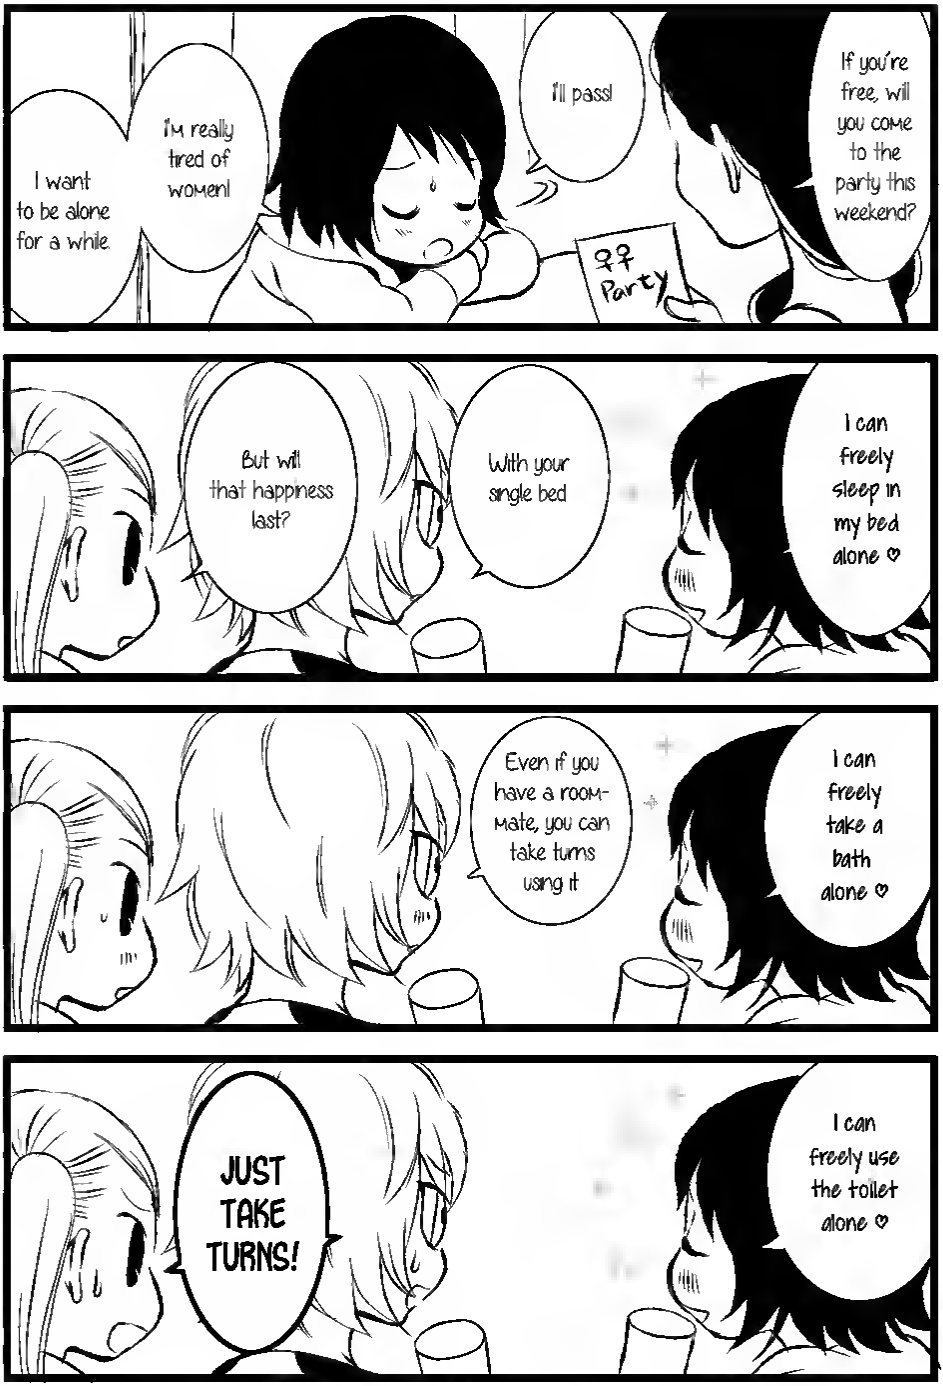
popular district for gays and lesbians



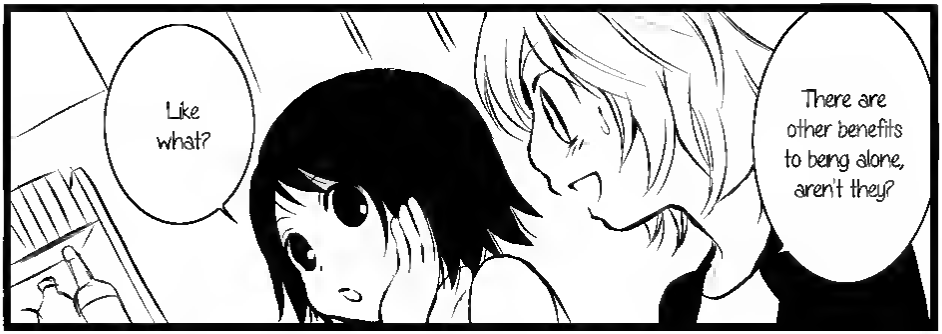




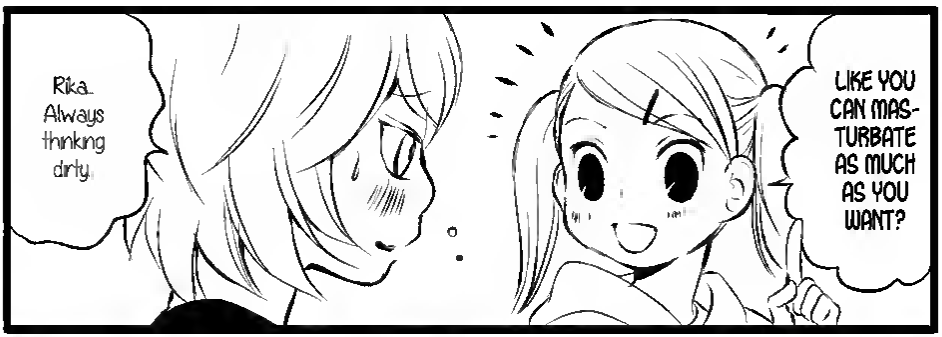
Me neither
Eh? Not me
Vodka, straight for me
Ah, I'll have a beer
Because when a les gets a girl, she'll immediately stop showing up at Z-choume
But my ex didn't like it
I wanted to keep coming too..
Yeah, but I preferred when she used handcuffs
Ahh, so your ex was the type who ties you down
Ahh, it was really tough
You're acting foolish intentionally, aren't you?
That's a really lame joke
...IT'S NOT ABOUT YOUR FETISH PLAY!



I want to be alone for a while
I'm really tired of women!
I'll pass!
If you're free, will you come to the party this weekend?
♀♀ Party
But will that happiness last?
With your single bed
I can freely sleep in my bed alone ♡
Even if you have a room-mate, you can take turns using it
I can freely take a bath alone ♡
JUST TAKE TURNS!
I can freely use the toilet alone ♡



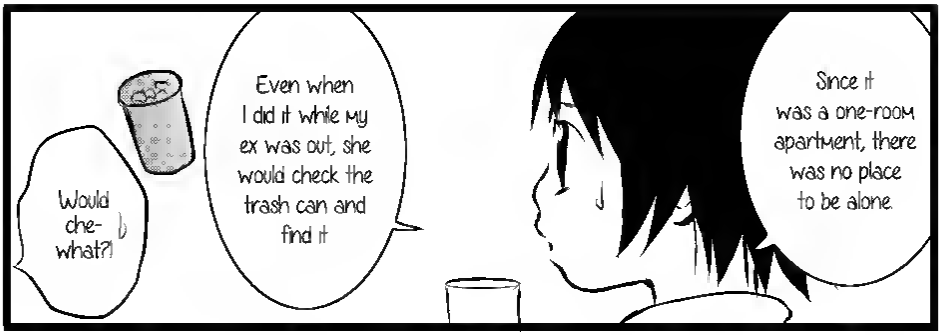
Like what?
There are other benefits to being alone, aren't they?



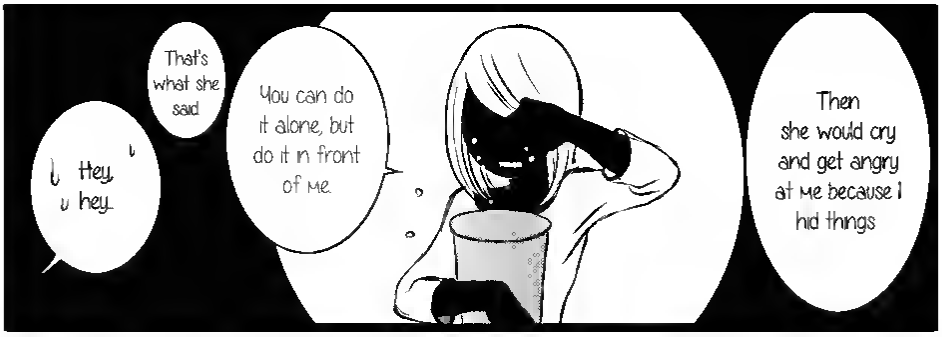
Rika... Always thinking dirty.
LIKE YOU CAN MASTURBATE AS MUCH AS YOU WANT?

Masturbate alone...

YOU LET HER SEE THAT?!
How comfortable!!
YES! I CAN MASTURBATE ALONE FROM NOW ON!



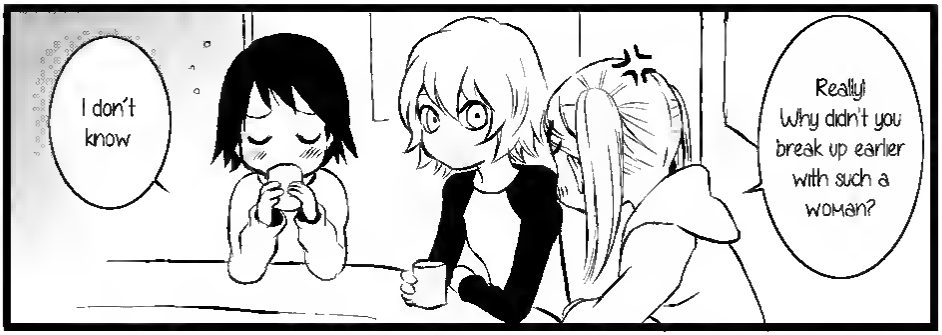
Since it was a one-room apartment, there was no place to be alone.
Even when I did it while my ex was out, she would check the trash can and find it
Would che- what?!



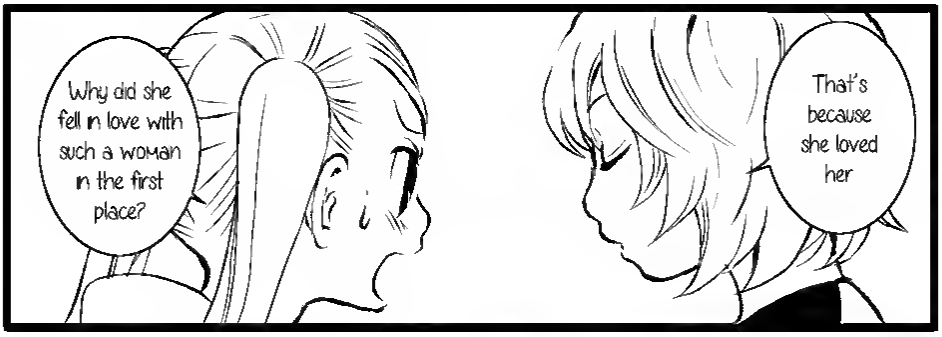
Then she would cry and get angry at me because I hid things
You can do it alone, but do it in front of me.
That's what she said
Hey, hey.

It has been hard for me...
Sounds like it...

IT'S JUST TOO RESTRICTIVE TO BE ONLY ALLOWED TO GET OFF TO YOUR GIRLFRIEND.
So *that* was the hard part?



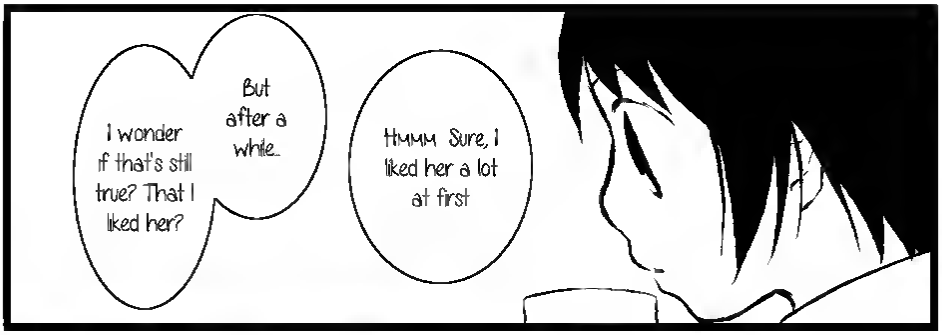
I don't know
Really! Why didn't you break up earlier with such a woman?



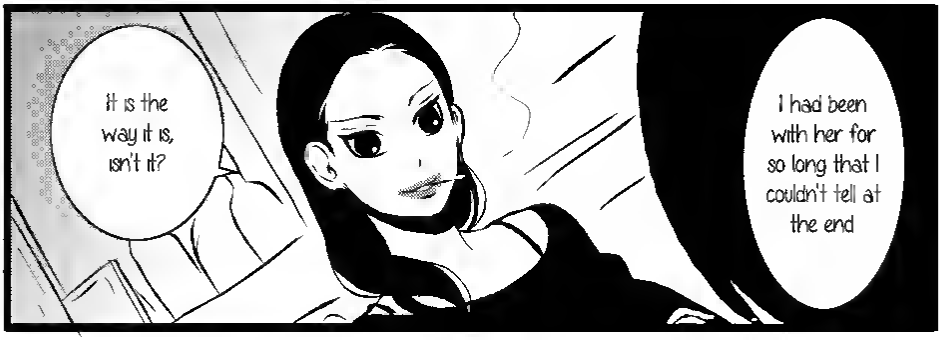
Why did she fell in love with such a woman in the first place?
That's because she loved her

I don't know

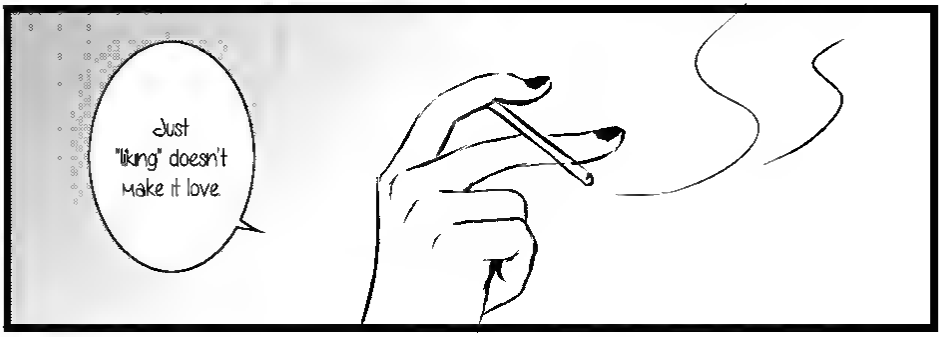
Huh?
Or rather, did I love her at all?



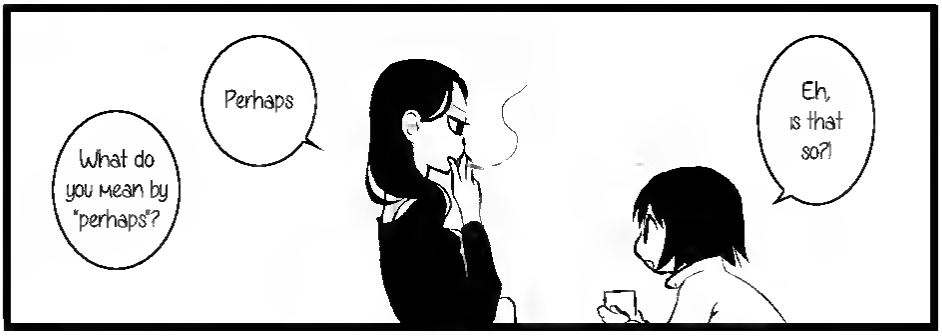
Hmmm Sure, I liked her a lot at first
But after a while...
I wonder if that's still true? That I liked her?



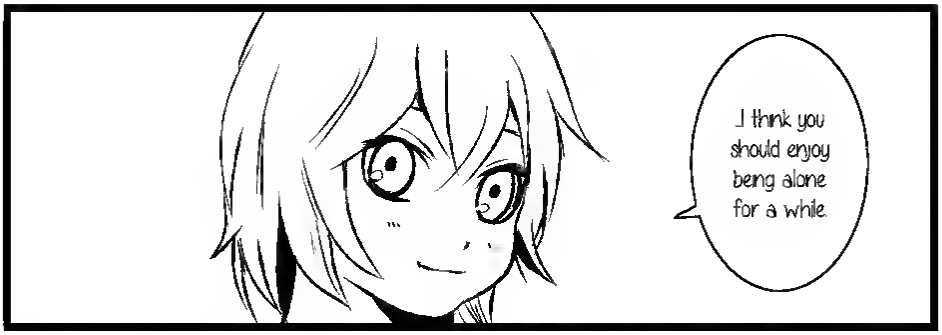
I had been with her for so long that I couldn't tell at the end
It is the way it is, isn't it?



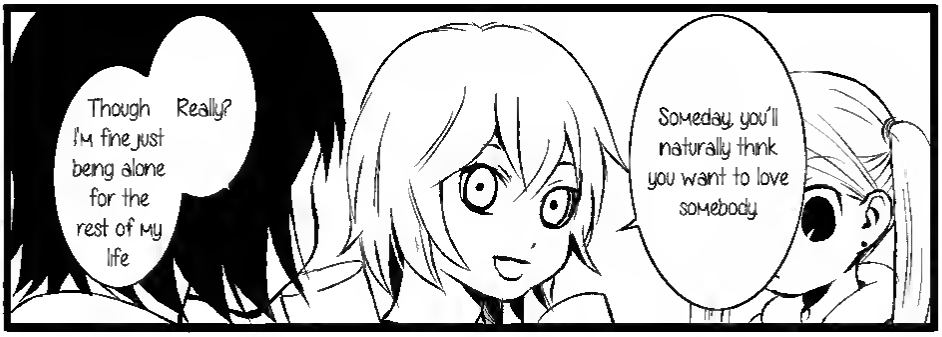
Just "liking" doesn't make it love



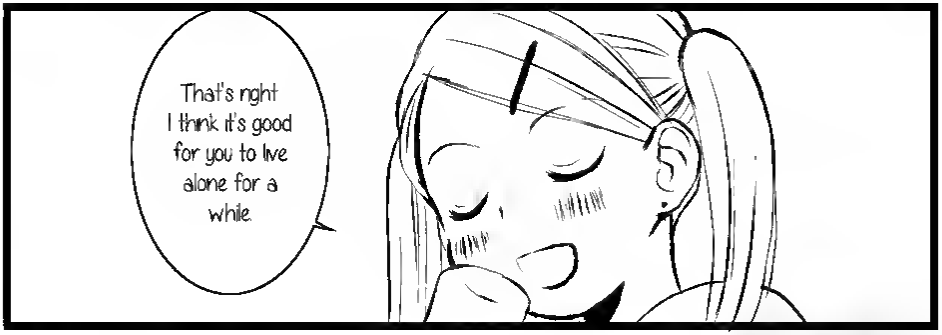
Eh, is that so?!
Perhaps
What do you mean by "perhaps"?



I think you should enjoy being alone for a while.

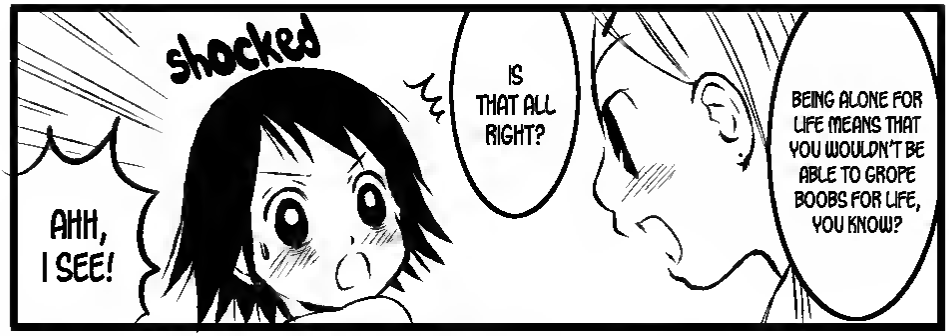


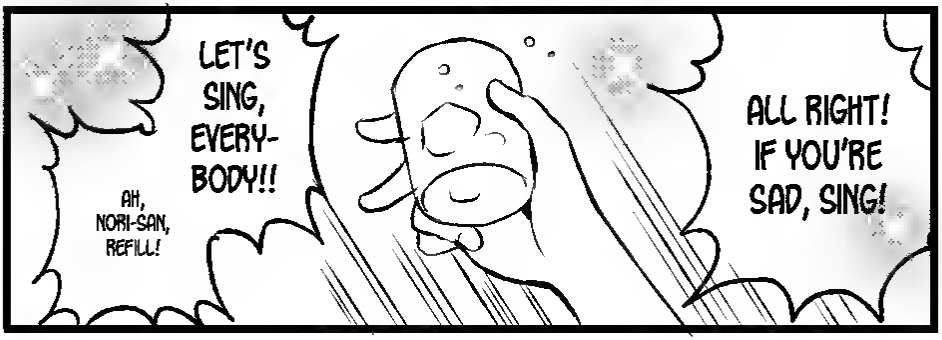
Really?
Though I'm fine just being alone for the rest of my life
Someday, you'll naturally think you want to love somebody



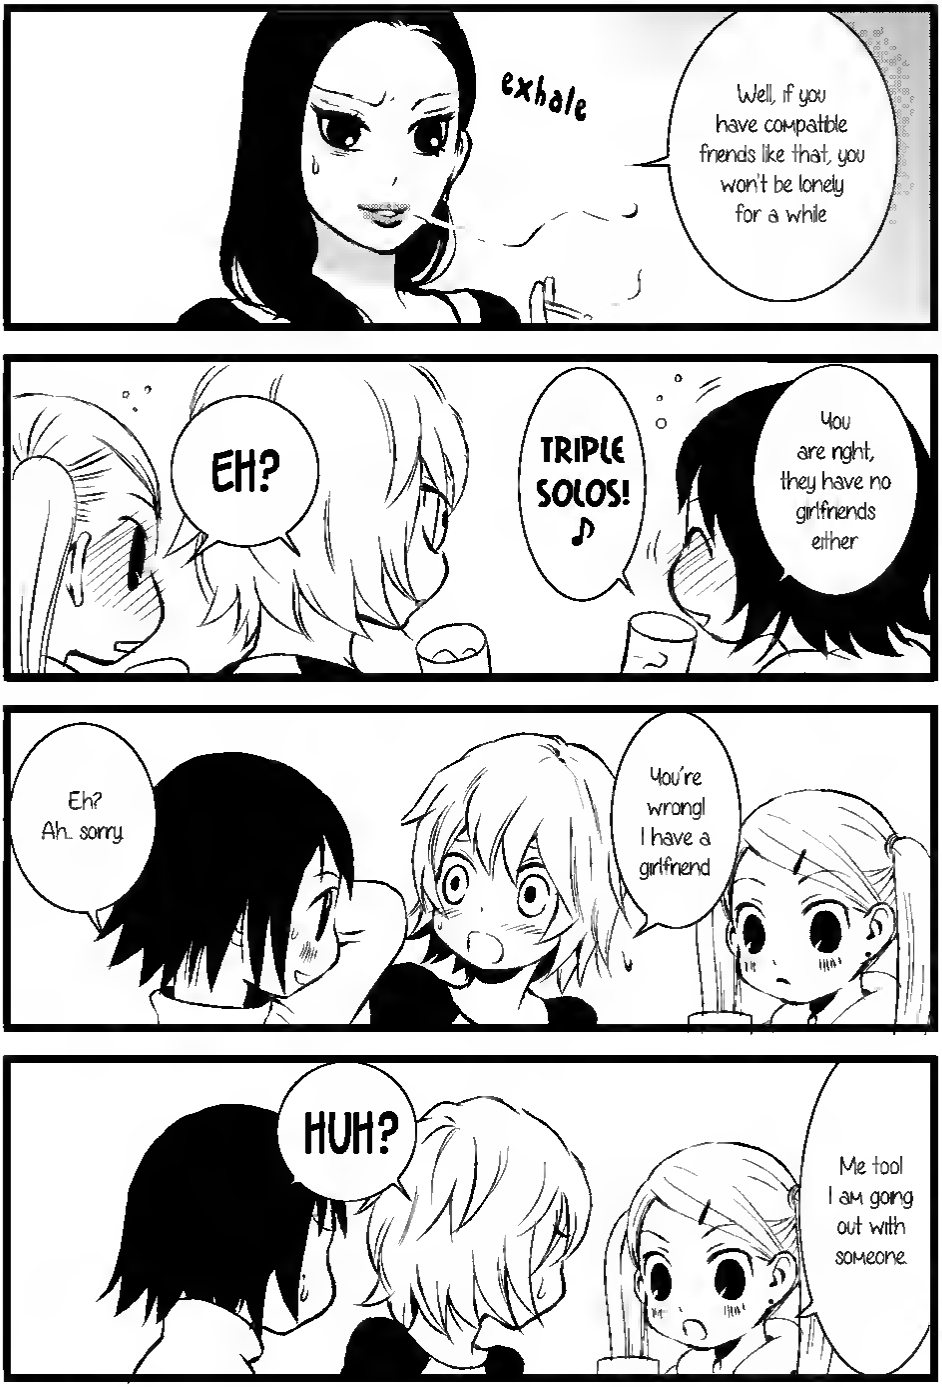
That's right I think it's good for you to live alone for a while.

AH, YOU COULD BE RIGHT ABOUT THAT!
I'm absolutely sure that you will eventually think you want to touch boobs again

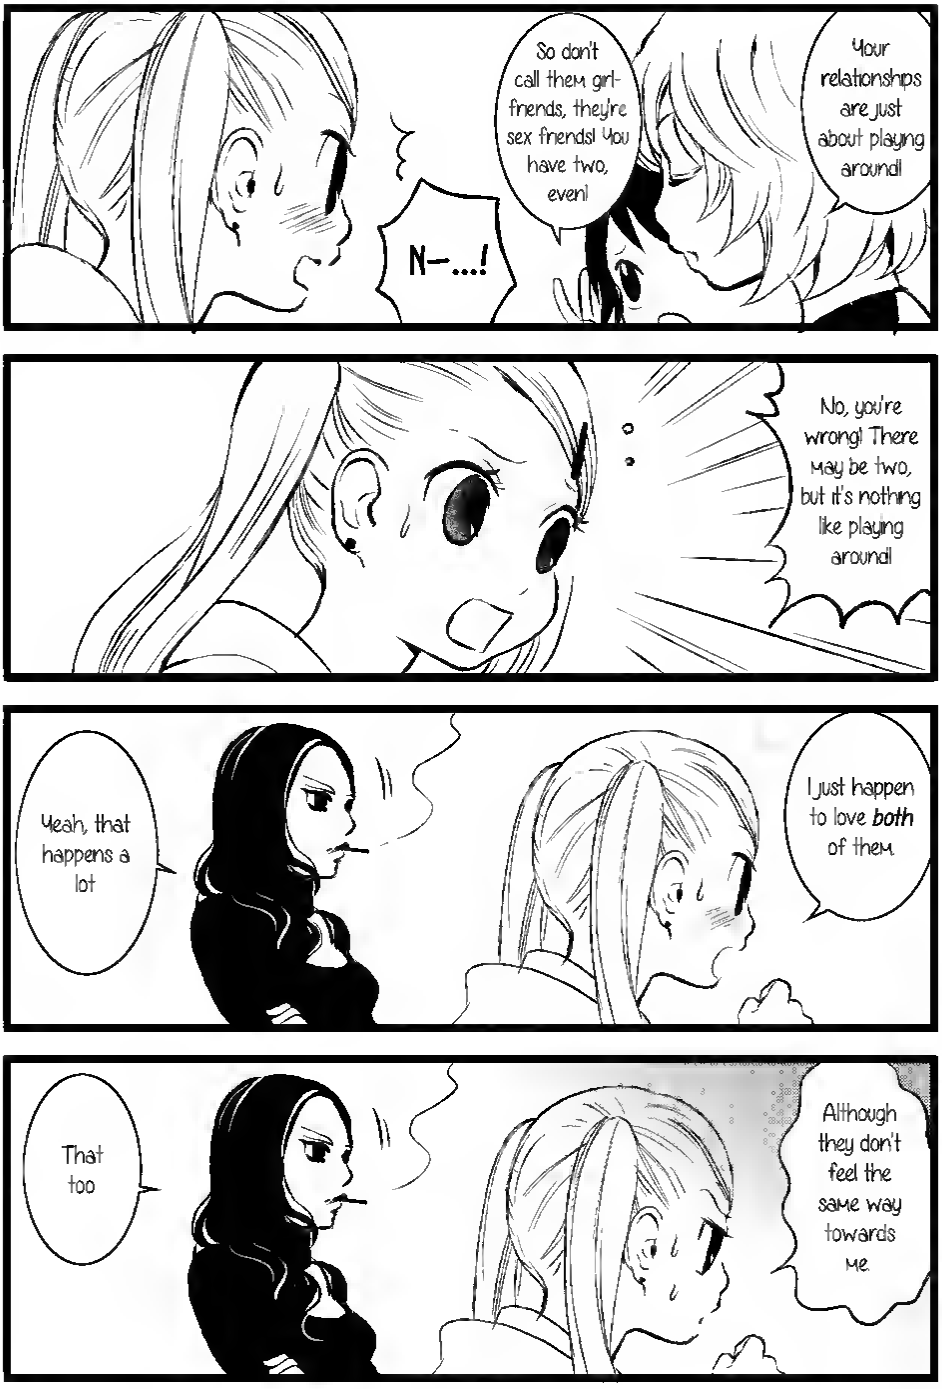




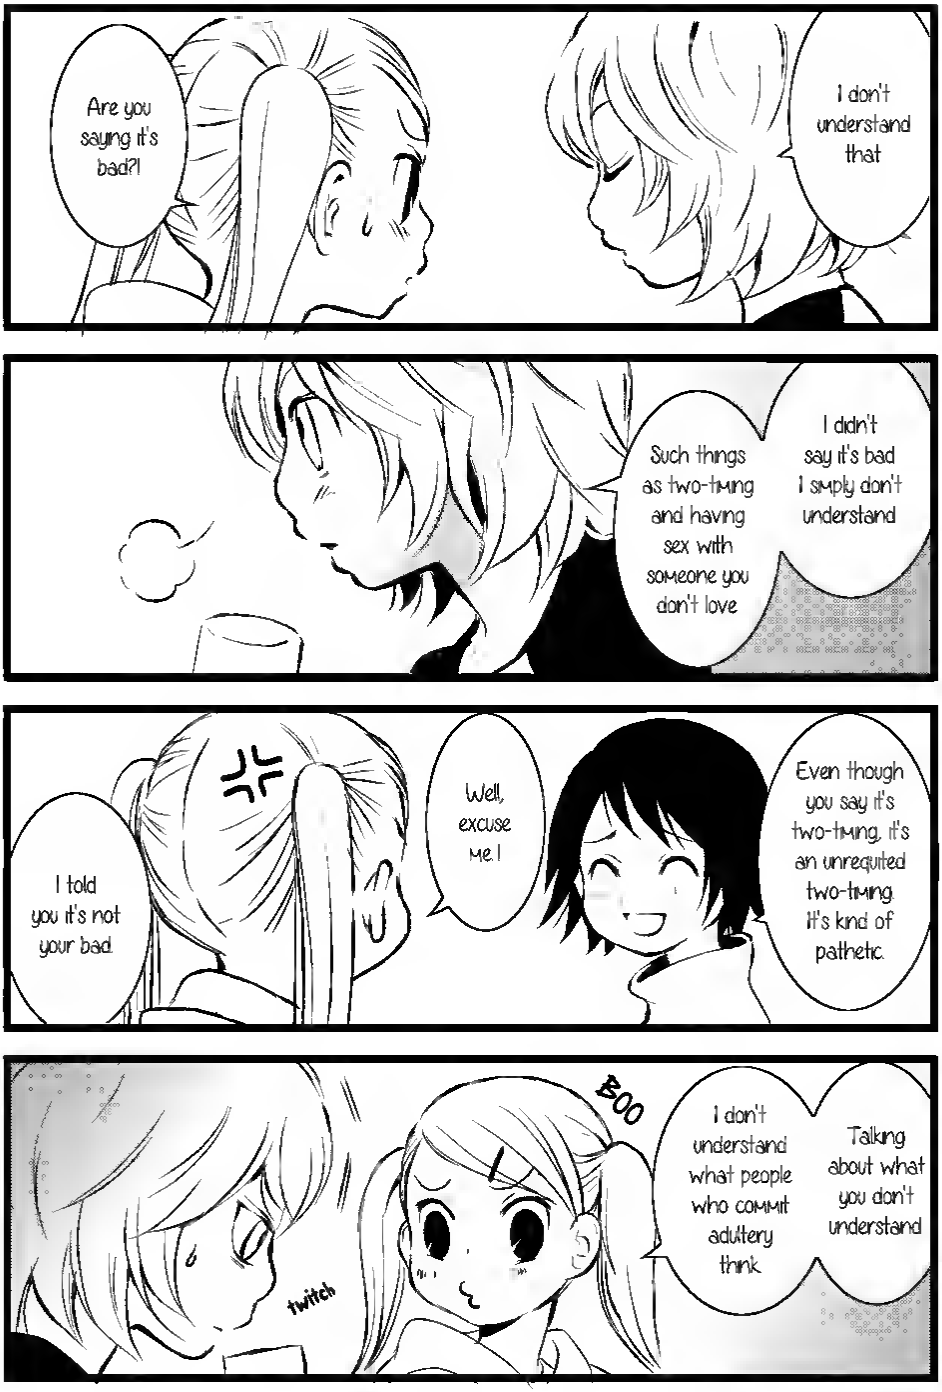
※ To the tune of Dango Three Brothers



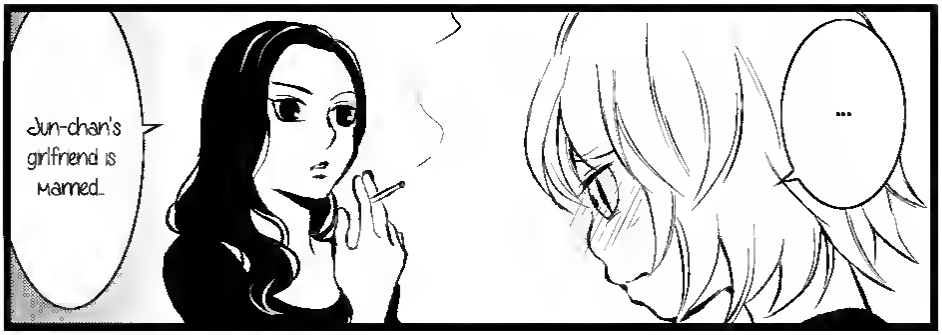
exhale
Well, if you have compatible friends like that, you won't be lonely for a while
EH?
TRIPLE SOLOS! ♪
You are right, they have no girlfriends either
Eh? Ah, sorry
You're wrong! I have a girlfriend
HUH?
Me too! I am going out with someone



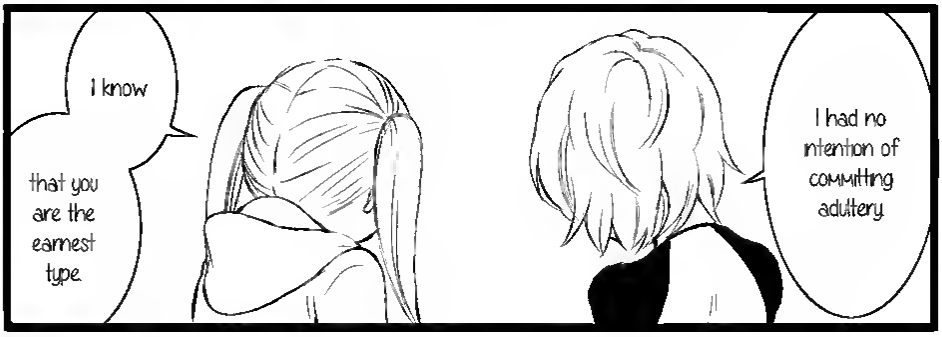
Your relationships are just about playing around!
So don't call them girlfriends, they're sex friends! You have two, even!
N-...!
No, you're wrong! There may be two, but it's nothing like playing around!
I just happen to love *both* of them.
Yeah, that happens a lot
Although they don't feel the same way towards me.
That too



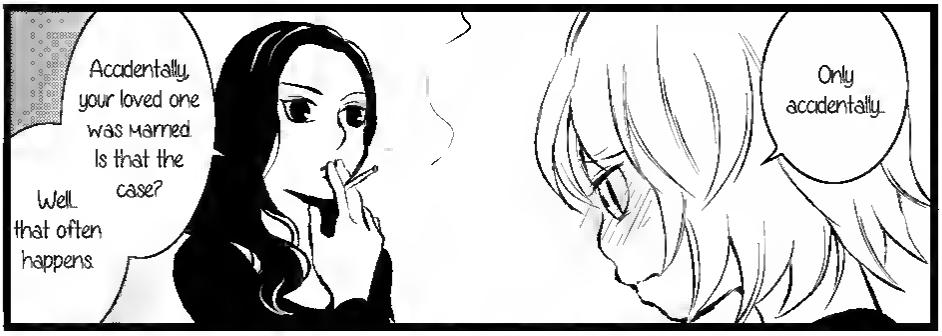
Are you saying it's bad?!
I don't understand that
I didn't say it's bad I simply don't understand
Such things as two-timing and having sex with someone you don't love
I told you it's not your bad.
Well, excuse me.!
Even though you say it's two-timing, it's an unrequited two-timing. It's kind of pathetic.
twitch
BOO
Talking about what you don't understand
I don't understand what people who commit adultery think.



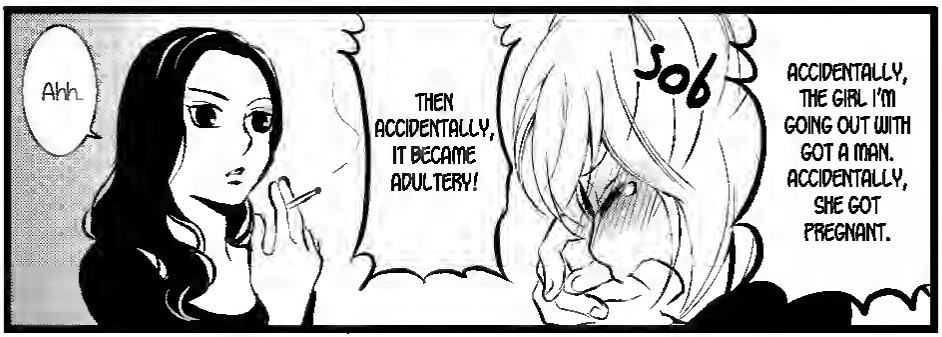
Jun-chan's girlfriend is married...
...



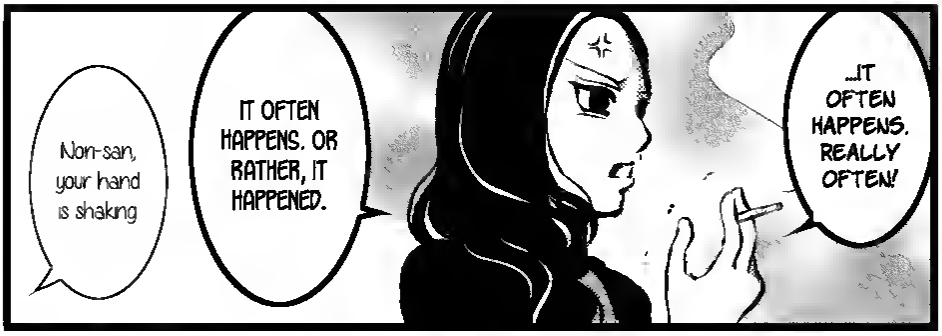
I know that you are the earnest type.
I had no intention of committing adultery.

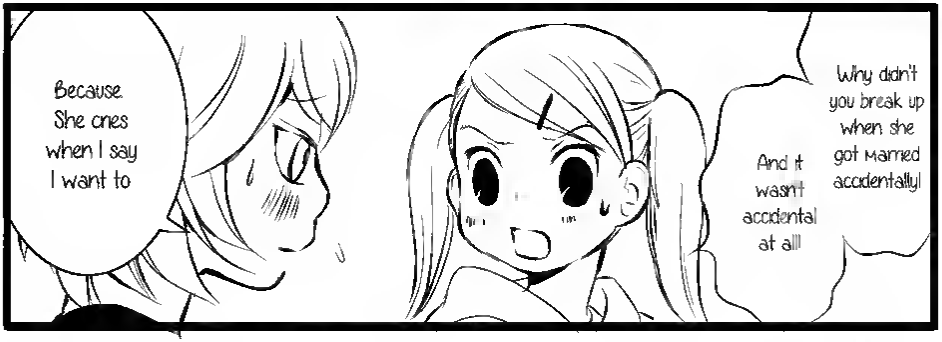


Accidentally, your loved one was married. Is that the case?
Well... that often happens.
Only accidentally...

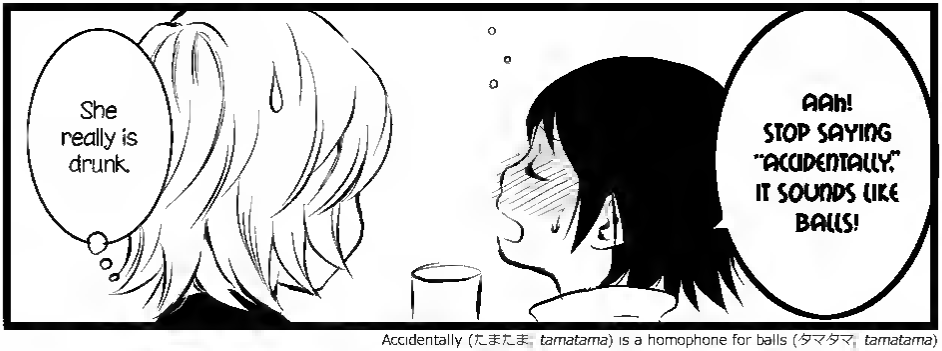


Ahh...
THEN ACCIDENTALLY, IT BECAME ADULTERY!
SOB
ACCIDENTALLY, THE GIRL I'M GOING OUT WITH GOT A MAN. ACCIDENTALLY, SHE GOT PREGNANT.

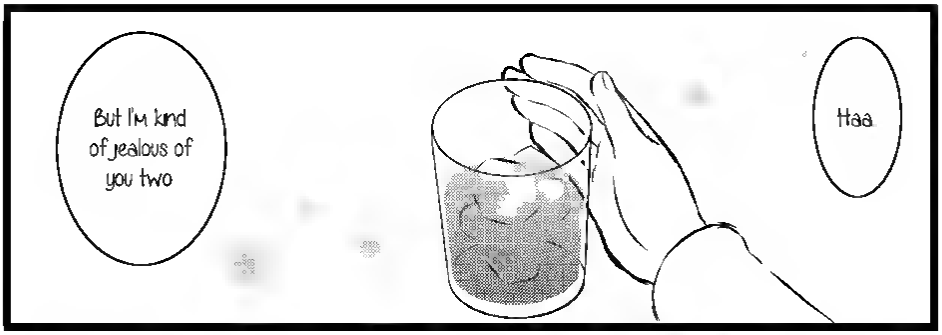




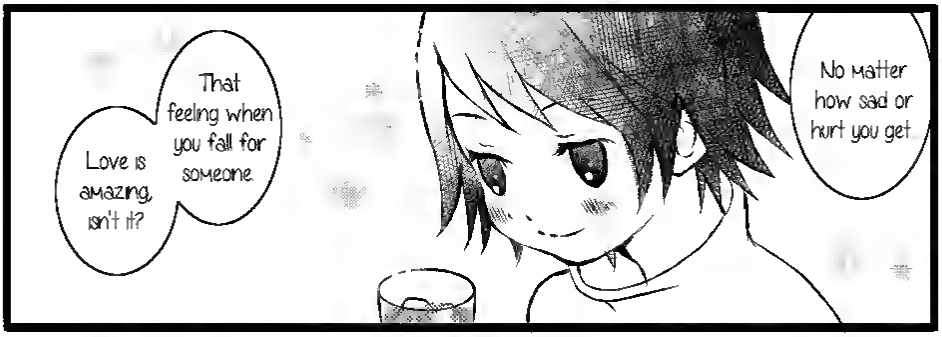
Because She cries when I say I want to
And it wasn't accidental at all!
Why didn't you break up when she got married accidentally!



Accidentally (たまたま, *tamatama*) is a homophone for balls (タマタマ, *tamatama*)



But I'm kind of jealous of you two
Haa



That feeling when you fall for someone
Love is amazing, isn't it?
No matter how sad or hurt you get

Well,
I think we had better conclude this discussion here
You're not seriously thinking that

Go back to page 13.
I'M TELLING YOU, BEING ALONE FOR LIFE MEANS THAT...
YAY. THAT'S WAY MORE COMFORTABLE. I COULDN'T BE MORE HAPPY! ♪
GO MASTURBATE FOR THE REST OF YOUR LIFE!

Afterword

This story is fiction.
There is no relation to any real persons or the author.

I am sorry that not only this wasn't yuri-ish, but not focused or organized either. And there are no moe materials. ★
Around the time when I debuted in a commercial magazine, I used to write this kind of manga and this brought back memories. ♪
